

THE ATIXA ONE POLICY, ONE PROCESS MODEL POLICY

Optional Annual Implementation Assistance Contract

The Annual Implementation Assistance Contract is designed to help and guide your campus through design, approval and implementation of the *One Policy, One Process Model*. Campuses may encounter obstacles and challenges when attempting to implement 1P,1P. ATIXA offers a number of support options for your campus.

Cost: \$500 per Campus

The Contract includes:

- One (1) Hour of phone consultation by the training faculty member of your choice (includes light preparatory document review in advance)

Cost: \$7,500 per Campus

(plus \$2,500 to license the 1P, 1P Model, if not already licensed – 1P, 1P Event Participants receive a license with registration)

The Contract includes:

- One (1) Campus Visit by the training faculty member of your choice to address implementation of the Policy
OR
- One (1) year of off-site consulting time (12-15 hours) via email/phone with the faculty members to guide and assist in your implementation process

Cost: \$12,500 per Campus

(plus \$2,500 to license the 1P, 1P Model, if not already licensed – 1P, 1P Event Participants receive a license with registration)

The Contract includes:

- One (1) Campus Training Visit by the faculty member of your choice
This will include training on the model, work adapting it to your campus, strategic implementation and governance issues. The typical audience includes investigators, advocates, hearing panels, administrators, appeals officers – basically anyone who will be implementing the model. The April 4, 2011 DCL requires training for all of these groups, even more so since the 1P, 1P Model is a new and paradigm shifting approach. The training gives us an opportunity to get folks up to speed on the changes, empower stakeholder buy-in, and smooth the path to implementation.
AND
- One (1) year of off-site consulting time (10 hours) via email/phone with the faculty members
