

11 Facts About Sexual Assault

Welcome to DoSomething.org, one of the largest orgs for young people and social change! After you've browsed the 11 facts (with citations at the bottom), take action and volunteer with our millions of members. Sign up for a [campaign](#) and make the world suck less.

1. 1 in 5 women (20%) will be sexually assaulted while at college while only 4% of college men will be sexually assaulted. You can make a difference: take photos to share resources with sexual assault survivors. Sign up for [Support for Survivors](#).
2. Most college victims are assaulted by someone they know.
3. 42% of college women who are raped tell no one about the assault.
4. It is estimated that only 5% of sexual assaults on college campuses are reported, making sexual assault the most underreported crime.
5. Rape results in about 32,000 pregnancies each year.
