Inaugural Student Poster Session Program  
2017 ATIXA/SCOPE Joint National Conference

The ATIXA/SCOPE Joint Conference Committee is soliciting poster session proposals for its 4th Joint National Conference, to be held October 3rd – 6th, 2017 in Philadelphia, Pennsylvania. We welcome submissions for the inaugural student poster session program scheduled to be held the afternoon and early evening of Wednesday, October 4th, 2017.

The session is reserved for undergraduate and graduate, degree-seeking students submitting posters on research, programs, offices, or policies that reflect an important contribution to a campus/school and/or community. Appropriate poster presentation topics include: an innovative programming model, research relevant to the topics of Title IX and the Violence Against Women Act 304, overview of collaborative partnerships, strategic MOUs or relationships, or other programs or initiatives positively impacting your campus/school/local community.

Please use the form to submit your poster session overview and proposal no later than 5:00pm Eastern time on Tuesday, September 5th, 2017. Please remember that the Conference Committee has only your submission on which to evaluate your poster session proposal. View some tips for writing a successful proposal.

Student Poster Session Call for Submissions closes on Tuesday, September 5th, 2017. Notifications of your participant selection will go out electronically by Tuesday, September 12th, 2017.

Program Overview  
Wednesday, October 4th, 2017, Sheraton Philadelphia Downtown Hotel
Schedule:  
• Poster set-up – 12:00pm-4:15pm  
• Open Viewing by Conference Attendees – 12:00pm – 5:30pm  
• Judging – 4:30pm-5:30pm  
• Dedicated Conference Viewing – 4:30pm-5:30pm

Posters will be judged on the following criteria:
1. Poster Design: The design of the poster needs to be professional, well-suited for the topic and appropriate for a poster presentation. The poster design should have a clear visual presentation of your topic and key takeaways.

2. Topic Relevance and Innovation: The poster should reflect a topic of importance and relevant to the current field of Title IX, Advocacy, and Prevention practices.

3. Content: The poster should clearly reflect your topic of interest and provide a good, conceptual understanding to your overview.

Poster Specifications: One tri-fold poster, 48” wide, 36” high, will be provided to participants. For a quick set up, participants will be asked to bring your 48” by 36” laminated and/or completed poster - several binder clips will be provided to you - so that the poster can be quickly pinned to the tri-fold. All tri-folds are the property of ATIXA and SCOPE and will need to be returned. Additional material for setting up the posters, as well as computers and/or other technological devices needed for the presentation, is the responsibility of each presenter.
